

Sign-in

For existing users, click “Sign In”, enter username and password, and click “Sign In.”

The diagram illustrates the sign-in process. It starts with a main menu titled "TeleMeWhere" containing two buttons: "Sign In" and "Create Account". The "Sign In" button is highlighted with a red rectangle. An arrow points from this button to a "Sign In" form. The form includes input fields for "Username" and "Password", a "Sign In" button, and a "Main Menu" link.

Create User Account

For new users, click “Create Account” to sign up. Enter valid information and then click “Create Account.”

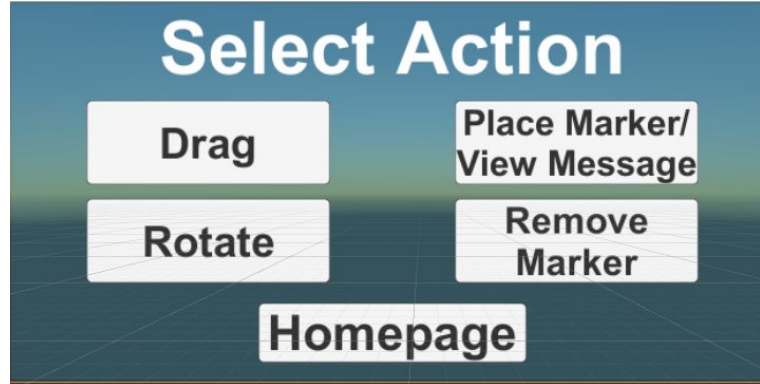

The diagram illustrates the account creation process. It starts with a main menu titled "TeleMeWhere" containing two buttons: "Sign In" and "Create Account". The "Create Account" button is highlighted with a red rectangle. An arrow points from this button to a "Create Account" form. The form includes input fields for "First Name", "Last Name", "Username", "Password", "Re-Enter Password", and "Email", a "Create Account" button, and a "Main Menu" link.

- Usage: Use gaze cursor to select buttons. Use pinching gesture to click buttons. Clicking input fields will bring up keyboard. Clicking buttons on keyboard will populate input fields.
- “Main Menu” can be clicked to return to said menu.

Model Manipulation

- Click “Drag” to be able to drag the model around. This is the default action.
- Click “Rotate” to be able to rotate the model around.
- Click “Homepage” to go back to the doctor/patient homepage.

- Click “Remove Marker” to remove markers by clicking on them.

- Click “Place Marker” and click the model where you wish to place a marker. This will open a menu to customize the marker. By clicking an existing marker, you will be able to view the message attached to that marker.

Invite Patient

Enter the username of the Patient you wish to invite and click "Send Invite"
